A Great Awakening

“Good Sunday all readers and movie goers:

I wanted to let you know that there is a movie in theaters called A Great Awakening. It’s one movie that you wouldn’t want to miss.

I have been looking at the scenes of it, and I have been getting goose pumps all over my skin.

I believe that it is being shown at the Big Ten Cinema on Fridays and Saturdays. It’s about Benjamin Franklin, George Washington, and Reverend George Whitfield.

This movie will touch you aways that you will **AWAKEN** your senses and remind you about the history of AMERCIA, and what made it so amazing at its birth.

Themes present

- Holy Spirit
- Being Born Again
- Revival
- American History
- Accepting Jesus
- Denying oneself

“Inspirational quotes...”

“Father,

tear down the name of Whitfield if it means your name remains. Amen

The Spirit of the Lord is upon me for he has anointed me to preach the GOSPEL to the poor, to proclaim freedom to the captives, and to set liberty to those who are oppressed, city of brotherly love!”

~George Whitfield
